Case No. 19-23649 (RDD)

(Jointly Administered)

**DECLARATION OF PATRICK FITZGERALD IN SUPPORT OF APPLICATION
OF DEBTORS FOR AUTHORITY TO RETAIN AND EMPLOY
SKADDEN, ARPS, SLATE, MEAGHER & FLOM LLP AS SPECIAL COUNSEL TO
THE DEBTORS *NUNC PRO TUNC* TO THE PETITION DATE**

I, Patrick Fitzgerald, declare:

1. I am a partner in the law firm of Skadden, Arps, Slate, Meagher & Flom LLP (together with its affiliates, “Skadden” or the “Firm”), proposed special counsel to the above-captioned debtors (the “Debtors”) in the above-captioned bankruptcy cases, which maintains an office for the practice of law at, among other places, 155 N. Wacker Drive, Chicago, Illinois 60606.

2. I am a practicing member in good standing of the bars of the States of Illinois and New York. I am admitted to practice before the United States Supreme Court, the United States District Courts for the Southern and Eastern Districts of New York, the Northern

District of Illinois, the Northern District of Indiana, and the Eastern District of Wisconsin, as well as the United States Court of Appeals for the Second Circuit.

3. I submit this declaration (this “Declaration”) in support of the Debtors’ Application for Order Under 11 U.S.C. § 327(e) Authorizing Employment of Skadden, Arps, Slate, Meagher & Flom LLP and Affiliates as Special Counsel *Nunc Pro Tunc* to the Petition Date (the “Application”).² I am over the age of 18, competent to testify, and authorized to submit this Declaration on behalf of the Debtors. The facts set forth below are based either upon my personal knowledge, discussions with other partners, counsel and associates of Skadden, and client/matter records of Skadden reviewed by myself or by associates of Skadden acting under the supervision and direction of Skadden partners working with me on this task, and if called as a witness I would testify competently thereto.

SCOPE OF SKADDEN’S SERVICES

4. Skadden was initially engaged by Debtor PPLP and certain of its subsidiaries beginning in 2010 to provide regulatory and compliance advice. A copy of the engagement letter for that matter is attached to this Declaration as **Exhibit 1-A**. Beginning in 2013, Skadden began performing legal work for PPLP and certain of its affiliates in connection with government investigations and complex and material litigation matters. As of the Petition Dates, Skadden was representing PPLP in (a) providing regulatory and compliance advice (collectively, the “**Advice Matters**”), (b) certain civil and criminal investigations initiated by state attorneys general and state agencies and the Department of Justice (the “**DOJ**”) and certain other United States agencies (collectively, the “**Governmental Investigation Matters**”), and (c) certain civil litigation (collectively, the “**Litigation Matters**”), including approximately 51 cases

² Capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Application.

filed in Texas state courts, most of which have been consolidated into a Texas state multi-district litigation (the “**Texas Litigation**”). The relevant engagement letters for these matters are attached to this Declaration as **Exhibits 1-B** through **1-E**.

5. The Debtors seek to retain Skadden as special counsel to continue to provide services in connection with the Advice Matters, Governmental Investigation Matters, and the Litigation Matters, including in connection with matters that may arise out of or in connection with the foregoing matters, as set forth in this Application and the relevant engagement letters attached to this Declaration. Skadden has provided and will continue to provide the following services to the Debtors during these chapter 11 cases (collectively, the “**Services**”):

- (a) to represent PPLP and certain of its subsidiaries in connection with federal governmental investigation matters, including the ongoing criminal and civil investigations being coordinated through various components of the DOJ and other federal agencies, as well as related settlement negotiations and proceedings;
- (b) to represent PPLP and certain of its subsidiaries in connection with state governmental investigation matters, including the ongoing criminal and civil investigations being coordinated through offices of various states attorney general and other state agencies, as well as related negotiations and proceedings;
- (c) to represent PPLP and certain subsidiaries in connection with pending civil litigation as well as litigation that may arise after the date hereof, including the Texas Litigation and other Litigation Matters, as well as related negotiations and proceedings;
- (d) to represent PPLP and certain subsidiaries in the Advice Matters, including providing ongoing regulatory and compliance advice; and
- (e) to provide other services normally and reasonably associated with these types of engagements.

6. I believe that the Debtors require, and will continue to require, the Services during these chapter 11 cases.

7. As a result of representing PPLP and certain subsidiaries in connection with the foregoing matters, Skadden's professionals have acquired extensive knowledge of the facts and history of the Debtors' business and the various legal issues involved in the Advice Matters, Governmental Investigation Matters, and the Litigation Matters. As such, I believe the retention of Skadden as special counsel will promote the efficient administration of the chapter 11 Cases. Conversely, I believe that if the Debtors were required to retain different counsel to provide the Services, it would be time consuming, inefficient, and complex for new counsel to get up to speed on the factual background and legal issues on the Advice Matters, Governmental Investigation Matters, and Litigation Matters. In particular, ongoing negotiations with the DOJ, as well as other federal agencies and litigation counterparties, would be significantly hindered, if not jeopardized. The Debtors would be forced to expend significant resources and familiarize such new counsel with the Debtors' business and the legal issues and status of matters that Skadden has handled or is handling for the Debtors. Reaching a resolution with the DOJ is a condition of the Debtors' global resolution. At the direction of the Debtors, Skadden has been actively pursuing such a resolution. The negotiations surrounding the global resolution are time sensitive, and I believe that unnecessary delay could be seriously detrimental to the global resolution.

8. I believe that Skadden is well-positioned to continue to provide the Services throughout the chapter 11 cases. Accordingly, subject to this Court's approval of the Application, Skadden is willing to perform the Services as requested by the Debtors, as set forth in the Application and in the relevant engagement agreements attached to this Declaration.

SKADDEN'S QUALIFICATIONS

9. As noted above, the Debtors retained Skadden to advise and represent them in regulatory and compliance matters since 2010 and in connection with government

investigations and other complex litigation matters beginning in 2013. The Debtors have relied on Skadden to provide counsel to the Debtors on certain of the matters, including the DOJ investigations and the Texas Litigation, since their inception. Skadden understands that the Debtors selected Skadden to provide the Services due to the Firm's reputation and extensive expertise in the relevant fields of law.

10. Specifically, Skadden regularly plays a leading role in significant healthcare-related criminal and civil investigations brought by federal and state agencies. Skadden attorneys — many of whom have held senior positions in government — represent healthcare companies in the full range of offensive and defensive litigation and investigation matters facing clients in the industry.

11. Skadden has assembled a highly qualified team of professionals to provide the Services described above for the Debtors. Jennifer Bragg and I lead the Firm's representation of the Debtors in the Advice Matters, Governmental Investigation Matters, and Litigation Matters. I am a partner in Skadden's Litigation and Government Enforcement and White Collar Crime practices, and Ms. Bragg is a partner in the Litigation, Government Enforcement and White Collar Crime, and Health Care and Life Sciences practices. I am currently resident in Skadden's Chicago office and Ms. Bragg is currently resident in Skadden's Washington, D.C. office. I have represented certain of these Debtors on various matters since approximately 2013 and Ms. Bragg has represented certain of these Debtors on various matters as a Skadden partner since 2010.³ (In addition, Noelle Reed, a partner in the Litigation and Government Enforcement and White Collar Crime practices, and who is based in Skadden's Houston Office, leads the representation of the Debtors in the cases filed in Texas state courts.)

12. Due to the firm's experience and knowledge in the areas for which Services will be provided, as well as the firm's longstanding relationship with the Debtors in connection with the Services, I believe Skadden is well qualified and uniquely able to represent the Debtors as special counsel pursuant to section 327(e) of the Bankruptcy Code, and that Skadden's retention would be in the best interests of the Debtors' estates, creditors, and other parties in interest.

DISINTERESTEDNESS OF PROFESSIONALS

13. To the best of my knowledge, as set forth below, and consistent with Bankruptcy Code section 327(e), Skadden does not represent or hold any interest adverse to the Debtors or their estates with respect to the matters on which Skadden is to be employed.

14. Skadden has in the past represented, currently represents, and likely in the future will represent certain parties in interest in these chapter 11 cases (or their affiliates). Following the commencement of these chapter 11 cases, Skadden received from the Debtors' proposed bankruptcy counsel a list of potential parties in interest in these cases, which parties are reflected in Exhibit 2. Skadden reviewed the list of potential parties in interest against its internal client database.⁴ Based upon an examination of the parties-in-interest list, Skadden currently represents the entities presented in bold italics on Exhibit 2, or their affiliates, and has in the past represented the entities presented in italics on Exhibit 2, or their affiliates.⁵ Such

(continued from previous page)

³ Ms. Bragg represented certain of the Debtors since 2004, prior to her employment at Skadden, and has continued to represent these Debtors while employed as a partner at Skadden since 2010.

⁴ In preparing its connections disclosure analysis, Skadden searched its connections disclosure database going back seven years. Parties in interest, or their affiliates, are disclosed as former clients if they were clients and their engagement of Skadden ended within the past seven years.

⁵ The identification and classification therein of various entities or individuals as falling within certain categories is not intended and should not be deemed to be an admission of the legal rights or status of any particular individual or entity.

representations are not, have not been, and will not be adverse to the Debtors with respect to the matters on which Skadden is to be employed. To the best of my knowledge, Skadden has no connection with any party in interest other than as set forth herein or in Exhibit 2.

15. As noted above, Skadden has represented certain of the Debtors in connection with the Services as well as other matters since 2010, prior to these chapter 11 cases.

16. In addition, Skadden makes the following disclosures:

- (a) **Endo.** Endo International plc, along with certain affiliates (collectively, “**Endo**”), is a current client of Skadden. Endo is a generics and specialty branded pharmaceuticals company. Skadden regularly represents Endo on a number of matters unrelated to the matters for which Skadden is being retained by the Debtors, i.e., the Advice Matters, the Governmental Investigation Matters, or the Litigation Matters. Certain Endo entities are co-defendants with the Debtors in certain of the Pending Actions described and defined in the Debtors’ Informational Brief. Skadden has provided and will continue to provide advice to Endo on matters related to the Pending Actions. However, Skadden will not appear on behalf of Endo in the Purdue chapter 11 cases or in negotiations between Endo and Purdue, for which matters Endo has engaged separate counsel. Thus, the Debtors do not believe that Skadden’s representation of Endo is adverse to the Debtors in connection with the Services for which Skadden is being retained.
- (b) **United States Agencies.** Certain agencies of the United States government are current clients of Skadden. Skadden does not represent the DOJ and does not represent any federal agency in any matter related to the matters for which Skadden is being retained by the Debtors, i.e., the Advice Matters, the Governmental Investigation Matters, and the Litigation Matters.
- (c) **The United States Trustee, United States District Court Judges, and United States Bankruptcy Judges for this District.** I am not related to, and to the best of my knowledge, no attorney working on any matter for which Skadden seeks to be retained is related to, any United States District Judge or United States Bankruptcy Judge in the Southern District of New York or the United States Trustee for Region 2 or any person employed in the office of the same.

17. Except as set forth herein in connection with the legal services Skadden has provided to the Debtors, and except with respect to legal services provided by Skadden to the Debtors for which Skadden has not yet submitted bills to them, Skadden is not a creditor of the Debtors. Skadden is not an equity security holder or insider of the Debtors. To the best of my

knowledge, neither Skadden nor any attorney working on any matter for which Skadden seeks to be retained is or was, within two years before the date of the filing of the petition, a director, officer, or employee of the Debtors, or has an interest materially adverse to the interests of the estates or any class of creditors or equity security holders, by reason of any direct or indirect relationship to, connection with, or interest in, the Debtors, or for any other reason.

18. Skadden is one of the largest law firms in the world and has a diverse client base. For the period beginning January 1, 2018 and ending December 31, 2018, no single client, including its affiliates, accounted for more than 3% of the Firm's total value of time billed to client matters for that period.

19. Pursuant to the engagement letters pursuant to which Skadden has provided services to the Debtors, the Debtors waived certain non-disqualifying conflicts and agreed that Skadden may represent other present and future parties on matters other than those for which Skadden had been or then is engaged by the Debtors, whether or not on a basis adverse to the Debtors or any of its present or future affiliates.

PROFESSIONAL COMPENSATION

20. The Debtors engaged Skadden prepetition subject to Skadden's standard hourly rate schedule and certain discounts.⁶ The current hourly billing rates (after applicable discounts) for the Skadden professionals expected to spend significant time on the engagement

⁶ Prepetition, Skadden and Purdue agreed to set rates for the period January 1, 2018 through December 31, 2019 as indicated by the rates described in the above sentence. Skadden also agreed to provide a volume discount and quick-pay discount which are described in more detail below. Skadden's agreement with Purdue expires under its terms on December 31, 2019, after which time, Skadden expects that Skadden's standard hourly rate schedule for 2020 would apply absent an alternative agreement. Skadden intends to negotiate with the Debtors in good faith regarding a fee arrangement (including any discounts) that would apply to work performed in 2020.

range from \$1,123 to \$1,540 for partners, \$427 to \$1,000 for associates and special counsel, and \$65 to \$464 for paralegals.⁷

21. In addition to the hourly billing rates set forth herein, Skadden will continue to charge the Debtors for certain charges and disbursements incurred in the rendition of services. These charges and disbursements include costs for long distance telephone charges, photocopying, travel, business meals, computerized research, messengers, couriers, postage, witness fees and other fees related to trials and hearings.⁸

22. On April 11, 2019, an initial retainer was paid to Skadden in the amount of \$1,500,000, and on June 27, 2019, an additional retainer was paid to Skadden in the amount of \$1,000,000 (collectively, the “**Retainer**”). The Retainer is being held in an escrow account, and as of the date of this Application, the Retainer balance was \$2,500,000. In addition, Skadden currently holds \$8,465.80 in unapplied cash received from the Debtors. Skadden has not received any funds from the Debtors other than for the Retainer, the unapplied cash, and payment for prepetition services rendered. Skadden has not shared or agreed to share compensation received in connection with its representation of the Debtors with any other person or entity, except as permitted by section 504(b) of the Bankruptcy Code and Bankruptcy Rule 2016(b) in respect of sharing of compensation among Skadden’s partners.

23. During the 90 days preceding September 15, 2019, the Firm received total payments in the amount of \$ 8,467,091.54 for services performed and expenses incurred and also to be performed and incurred (in the form of a portion of the Retainer). Skadden has not received

⁷ Skadden’s hourly rates are subject to periodic increase in the normal course of Skadden’s business.

⁸ The charges and disbursements are invoiced pursuant to guidelines set by PPLP, subject to certain modifications. Application of these guidelines generally results in a discount from certain charges and disbursements invoiced pursuant to Skadden’s Policy Statement Concerning Charges and Disbursements, which is typically applicable to firm engagements.

any funds from the Debtors other than for the Retainer, the unapplied cash, and payment for prepetition services rendered. Skadden will not receive any further retainers unless pursuant to Court order, and will not draw upon the Retainer except pursuant to the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules.

24. I believe that the compensation structure and other terms and conditions are reasonable terms and conditions of employment and should be approved.

25. Other than as set forth above, no arrangement has been proposed between the Debtors and Skadden for compensation to be paid in these cases.

26. Skadden understands the provisions of sections 327, 328, 330 and 331 of the Bankruptcy Code which require, among other things, Court approval of the Debtors' employment of Skadden as special counsel, and all of the legal fees and reimbursement of expenses that Skadden will receive from the Debtors and the Debtors' estates.

27. Skadden seeks to be employed pursuant to section 327(e) of the Bankruptcy Code and intends to apply to this Court for allowance of compensation for professional services rendered and reimbursement of charges and disbursements incurred in the chapter 11 cases in accordance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Bankruptcy Rules, and any orders entered in these cases governing professional compensation and reimbursement for services rendered and charges and disbursements incurred. Skadden will seek compensation for the services of each attorney and paraprofessional acting on behalf of the Debtors in these cases at the then current rate charged for such services as described herein. Skadden will also seek compensation for all time and expenses associated with its retention as a professional under Bankruptcy Code Section 327(e),

including the preparation of the Application, this Declaration and related documents, as well as any monthly fee statements and/or interim and final fee applications.

STATEMENT REGARDING U.S. TRUSTEE GUIDELINES

28. The following information is provided in accordance with paragraph D.1 of the U.S. Trustee Guidelines:

Question: Did you agree to any variations from, or alternatives to, your standard or customary billing arrangements for this engagement?

Response: Yes. Skadden and Purdue agreed to set rates for the period January 1, 2018 through December 31, 2019 as indicated by the rates described herein. Skadden also agreed to provide a quick-pay discount and a volume discount as applicable.⁹ The terms of this agreement expire on December 31, 2019, after which time, Skadden expects that Skadden's standard hourly rate schedule for 2020 without modification would apply absent an alternative agreement.¹⁰ In addition, charges and disbursements are invoiced pursuant to guidelines set by PPLP, subject to certain modifications. Application of these guidelines generally result in a discount from certain charges and disbursements invoiced pursuant to Skadden's Policy Statement Concerning Charges and Disbursements, which is typically applicable to firm engagements.

Question: Do any of the professionals included in this engagement vary their rate based on the geographic location of the bankruptcy case?

Response: No. As discussed above, all U.S. timekeepers bill based on a standard rate schedule in U.S. dollars.

Question: If you represented the client in the 12 months prepetition, disclose your billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If your billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

⁹ Specifically, Skadden agreed to provide a discount of 8.5% for work that increases to 11.5% and 13.5% once fees reach \$4 million and \$8 million, respectively. These thresholds are calculated on a calendar year basis and re-set annually. In addition, Skadden agreed to provide a quick-pay discount of 3% on work when the Company issues payment within 11 to 15 days of receipt of the invoice, which increases to 4% if payment is made within 10 days of receipt of the invoice.

¹⁰ Skadden intends to negotiate with the Debtors in good faith regarding a fee arrangement (including any discounts) that would apply to work performed in 2020.

Response: Since its representation of Debtors began, Skadden has not changed its billing rates or material financial terms for the engagement, other than (i) regular, annual, Firm-wide adjustments to its standard rates and (ii) Skadden's agreement to set rates as described above. Skadden's rates and the financial terms of the engagement have been the same prepetition and postpetition, other than that, as noted above, Skadden did receive retainers on April 11 and June 27, 2019. As noted above, the arrangement described above will expire on December 31, 2019, after which time, Skadden expects that Skadden's standard hourly rate schedule for 2020 without modification would apply absent an alternative agreement.

Question: Has your client approved your prospective budget and staffing plan, and, if so, for what budget period?

Response: Skadden and the Debtors have discussed Skadden's estimated fees and expenses and staffing related to these matters. Skadden and the Debtors developed a budget and staffing plan for 2019 and 2020. To the extent these chapter 11 cases impact certain of the matters for which Skadden is providing services, this budget may be amended. In addition, to the extent these chapter 11 cases extend beyond 2020, the budget and staffing plan would be amended and extended through the duration of these cases.

[Remainder of Page Intentionally Left Blank]

Robin Abrams, Esq.
Vice President and Associate General Counsel
Purdue Pharma L.P.
1 Stamford Forum
201 Tresser Blvd.
Stamford, CT 06901-3431

Dear Robin:

We are pleased that Purdue Pharma L.P. (the "Company") is considering engaging Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden Arps" or the "Firm") in connection with OxyContin Bottle Tracking Program. Our Engagement is to represent the Company and not its individual directors, officers, employees or shareholders. However, we anticipate that in the course of that Engagement, we may provide information or advice to directors, officers or employees in their corporate capacities.

Scope of Engagement

As described to us, the Engagement involves providing counseling and advice relating to various regulatory and enforcement issues, including around the Bottle Tracking Program. The services to be provided by the Firm in connection with the Engagement will encompass all services normally and reasonably associated with this type of engagement which the Firm is requested and is able to provide and which are consistent with its ethical obligations.

Engagement Personnel

Jennifer Bragg will be responsible for and actively involved in the Engagement. Additional lawyers, including those in other practice areas, will be added to the Engagement on an as needed basis. Any significant additions to staffing will be discussed with you in advance.

Robin Abrams, Esq.
January 7, 2010
Page 2

Fees and Expenses

Unless otherwise agreed, our fee will be based on the time involved in the Engagement and our internal time charges. We would be happy to discuss alternative billing arrangements, such as fixed fee or risk-sharing arrangements. Because you previously engaged me at our prior firm, and to facilitate a transition to your engaging me at Skadden, I am willing to set my hourly billing rate at \$675, through the end of 2010.

In addition, our billing statements will include charges and disbursements incurred by us in the course of performing legal services. These items will be billed in accordance with our standard practice as described in the enclosed summary, which may be periodically updated.

If a dispute develops about our fees, you may be entitled under Part 137 of the Rules of the Chief Administrator of the New York Courts to arbitration of that dispute if it involves more than one thousand and less than fifty thousand dollars.

Waivers and Related Matters

The Firm represents a broad base of clients on a variety of legal matters. Accordingly, absent an effective conflicts waiver, conflicts of interest may arise that could adversely affect your ability and the ability of other clients of the Firm to choose the Firm as its counsel and preclude the Firm from representing you or other clients of our Firm in pending or future matters. Given that possibility, we wish to be fair not only to you, but to our other clients as well. Accordingly, this letter will confirm our mutual agreement that the Firm may represent other present or future parties on matters other than those for which it had been or then is engaged by the Company, whether or not on a basis adverse to the Company or any of its affiliates, including in litigation, legal or other proceedings or matters, which are referred to as "Permitted Adverse Representation." In furtherance of this mutual agreement, the Company agrees that it will not for itself or any other party assert the Firm's representation of the Company, either previously, in its then existing representation in the Engagement, or in any other matter in which the Company retains the Firm, as a basis for disqualifying the Firm from representing another party in any Permitted Adverse Representation and agrees that any Permitted Adverse Representation does not constitute a breach of duty. Permitted Adverse Representation would include, without limitation, representing a client over which the Company might be seeking to acquire influence or control, or from which the Company may wish to buy assets, or representing a client regarding its interest at the time in acquiring influence or control over an entity in which the Company then has a similar interest.

Robin Abrams, Esq.
January 7, 2010

With respect to parties affiliated with the Company generally, including parties owned by the Company and parties that hold direct or indirect interests in the Company, it is our understanding that the Firm is not being asked to provide, and will not be providing, legal advice to, or establishing an attorney-client relationship with, any such affiliated party or person in their individual capacity and will not be expected to do so unless the Firm has been asked and has specifically agreed to do so. Finally, it is our understanding that if the Firm acts as counsel for any other party as to which the Company then owns completely, directly or indirectly, all of the common stock or similar voting interest (other than directors' qualifying shares, if any), the mutual agreement reflected in this letter, including the waivers, would apply to that party as well.

* * *

The provisions of this letter will continue in effect, including if the Firm's representation of the Company was ended at your election (which, of course, the Company would be free to do at any time) or by the Firm (which would be subject to ethical requirements). In addition, the provisions of this Engagement Letter will apply to future engagements of the Firm by the Company unless we mutually agree otherwise.

This agreement shall be governed by and interpreted in accordance with the laws of the State of New York without regard to its conflicts of laws principles.

For purposes of this letter, references to Skadden Arps or the Firm include our affiliated law practice entities.

If this letter is satisfactory, please sign a copy and return it to me. Obviously, if you want to discuss any aspect of this letter further, please call me.

Again, we very much appreciate the opportunity to work with Purdue and look forward to doing so.

With best regards,

Sincerely,

Jennifer L. Bragg

Dear Robin:

Thank you for retaining Skadden to assist Purdue Pharma in connection with the subpoena *duces tecum* issued by the Corporation Counsel for the City of Chicago. The Firm really does appreciate when a client requests that we undertake additional work on its behalf. For our mutual records, this letter confirms that Purdue Pharma has retained Skadden to assist it in responding to the subpoena and to defend any allegations arising from the City of Chicago's investigation. This engagement will be subject to and governed by the terms and conditions of our Engagement Letter dated January 7, 2010.

As contemplated, Pat Fitzgerald and I will have primary responsibility for this matter. Pat's standard hourly rate is \$1,220. As we discussed, we anticipate that Ryan Stoll will work with us on this matter. His standard hourly rate, like mine, is \$1,120. We have agreed to discount our standard rates by 10%. The division of labor will be determined once we have a better understanding of the actual work to be undertaken. In addition, should it make sense to assign a more junior associate to the matter, we will obtain your approval before that individual commences work on the matter.

Purdue Pharma L.P.

Dear Robin:

We are pleased that Purdue Pharma L.P. (the "Company") is considering engaging Skadden, Arps, Slate, Meagher & Flom LLP ("Skadden Arps" or the "Firm") in connection with OxyContin Bottle Tracking Program. Our Engagement is to represent the Company and not its individual directors, officers, employees or shareholders. However, we anticipate that in the course of that Engagement, we may provide information or advice to directors, officers or employees in their corporate capacities.

Scope of Engagement

As described to us, the Engagement involves providing counseling and advice relating to various regulatory and enforcement issues, including around the Bottle Tracking Program. The services to be provided by the Firm in connection with the Engagement will encompass all services normally and reasonably associated with this type of engagement which the Firm is requested and is able to provide and which are consistent with its ethical obligations.

Engagement Personnel

Jennifer Bragg will be responsible for and actively involved in the Engagement. Additional lawyers, including those in other practice areas, will be added to the Engagement on an as needed basis. Any significant additions to staffing will be discussed with you in advance.

Robin Abrams, Esq.
January 7, 2010
Page 2

Fees and Expenses

Unless otherwise agreed, our fee will be based on the time involved in the Engagement and our internal time charges. We would be happy to discuss alternative billing arrangements, such as fixed fee or risk-sharing arrangements. Because you previously engaged me at our prior firm, and to facilitate a transition to your engaging me at Skadden, I am willing to set my hourly billing rate at \$675, through the end of 2010.

In addition, our billing statements will include charges and disbursements incurred by us in the course of performing legal services. These items will be billed in accordance with our standard practice as described in the enclosed summary, which may be periodically updated.

If a dispute develops about our fees, you may be entitled under Part 137 of the Rules of the Chief Administrator of the New York Courts to arbitration of that dispute if it involves more than one thousand and less than fifty thousand dollars.

Waivers and Related Matters

The Firm represents a broad base of clients on a variety of legal matters. Accordingly, absent an effective conflicts waiver, conflicts of interest may arise that could adversely affect your ability and the ability of other clients of the Firm to choose the Firm as its counsel and preclude the Firm from representing you or other clients of our Firm in pending or future matters. Given that possibility, we wish to be fair not only to you, but to our other clients as well. Accordingly, this letter will confirm our mutual agreement that the Firm may represent other present or future parties on matters other than those for which it had been or then is engaged by the Company, whether or not on a basis adverse to the Company or any of its affiliates, including in litigation, legal or other proceedings or matters, which are referred to as "Permitted Adverse Representation." In furtherance of this mutual agreement, the Company agrees that it will not for itself or any other party assert the Firm's representation of the Company, either previously, in its then existing representation in the Engagement, or in any other matter in which the Company retains the Firm, as a basis for disqualifying the Firm from representing another party in any Permitted Adverse Representation and agrees that any Permitted Adverse Representation does not constitute a breach of duty. Permitted Adverse Representation would include, without limitation, representing a client over which the Company might be seeking to acquire influence or control, or from which the Company may wish to buy assets, or representing a client regarding its interest at the time in acquiring influence or control over an entity in which the Company then has a similar interest.

Robin Abrams, Esq.
January 7, 2010

With respect to parties affiliated with the Company generally, including parties owned by the Company and parties that hold direct or indirect interests in the Company, it is our understanding that the Firm is not being asked to provide, and will not be providing, legal advice to, or establishing an attorney-client relationship with, any such affiliated party or person in their individual capacity and will not be expected to do so unless the Firm has been asked and has specifically agreed to do so. Finally, it is our understanding that if the Firm acts as counsel for any other party as to which the Company then owns completely, directly or indirectly, all of the common stock or similar voting interest (other than directors' qualifying shares, if any), the mutual agreement reflected in this letter, including the waivers, would apply to that party as well.

* * *

The provisions of this letter will continue in effect, including if the Firm's representation of the Company was ended at your election (which, of course, the Company would be free to do at any time) or by the Firm (which would be subject to ethical requirements). In addition, the provisions of this Engagement Letter will apply to future engagements of the Firm by the Company unless we mutually agree otherwise.

This agreement shall be governed by and interpreted in accordance with the laws of the State of New York without regard to its conflicts of laws principles.

For purposes of this letter, references to Skadden Arps or the Firm include our affiliated law practice entities.

If this letter is satisfactory, please sign a copy and return it to me. Obviously, if you want to discuss any aspect of this letter further, please call me.

Again, we very much appreciate the opportunity to work with Purdue and look forward to doing so.

With best regards,

Sincerely,

Jennifer L. Bragg

RE: Multidistrict Litigation

Dear Mr. Silbert:

Thanks for the new engagement. The Firm really does appreciate when a client returns to us with additional work. For our mutual records, this letter will confirm that Purdue Pharma L.P. has retained us to represent Purdue in multidistrict litigations and that, subject to the modifications noted below, the terms of our Engagement Letter of April 29, 2013 will apply as modified by an substantive agreement on rates and discounts currently in effect. Unless otherwise agreed, the Engagement will not encompass tax-related advice.

Prevention of Criminal Facilitation of Tax Evasion

Many jurisdictions criminalize the evasion of tax and its facilitation. As a condition of the Engagement, you represent to us that you will not request or otherwise have the Firm or any third party involved in the Engagement take any action, or desist from taking any action, in order to facilitate tax evasion.
